The Class of '49 Looks Back

Yes, the Class of '49 looks back on four exciting and memorable years at Saint Mary's. These years proved to be exciting not only to us as individuals but also to the school as a whole. Come with us now as we go back over our adventures.

The first page in this book of memories is our initiation as freshmen. In September of '45 it seemed to us to be the worst possible initiation; but all bumps, bruises and deflated egos were forgotten at the Reception that followed. After a month or so we got used to the routine of high school and began to take an active part in school life. At the Christmas Bazaar, the Freshman Novelty Booth netted the largest amount in the school. As a reward for our efforts, we were well represented on the Honor and Citizenship Rolls all year. In June we were awarded the Honor Cup.

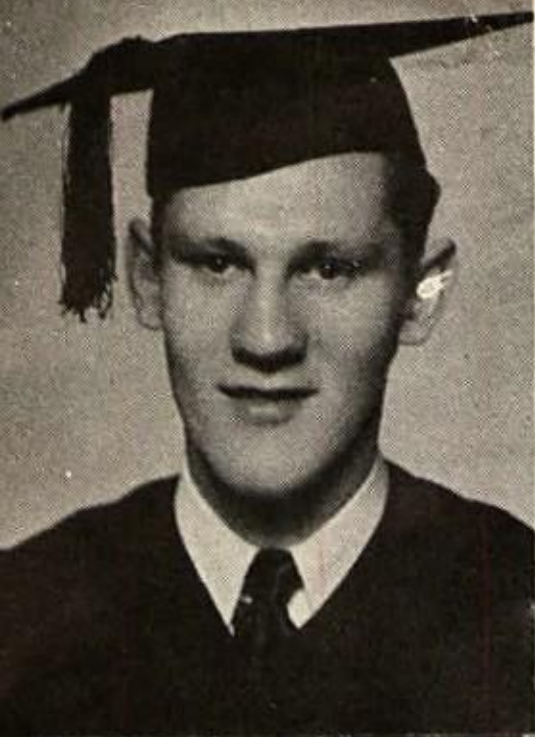

The next page is about our Sophomore year. Socially, we gained some distinction by giving what has become an annual tradition, a dance for the benefit of Father A. L. Hofstee, O.P. With the dance, which we appropriately named "Heatwave," we presented the Sophomore Follies. Musically speaking, the talent we discovered then has marked our class as one of the best. On the other side of the picture, our interest in the Catholic Federation resulted in the first meeting of the North Bay Unit ever to be held in Stockton. Working on the various committees, editing the "Sophomore Kettle" and keeping our scholastic record high enough to win the Honor Cup again in June kept us busy all through the year.

The third page is filled with our activities as Juniors. This year was a year of superlatives. The traditional dance and program for Father Hofstee, the "Mardigras," was the most successful dance of the year. All the juniors and seniors will remember the picnic, held at Marsh Creek. The Prom, which we gave honoring the seniors, and the "Junior Kettle," which we published, were both the biggest and best so far. The Catholic Federation had by now become a vital part of our every day school life.

The last page in the book of memories is filled to over-flowing with the responsibilities and adventures of our senior year. The trophies we have won have marked this year as one of the most successful in sports. The football team won the Co-Championship of the Catholic Athletic League. Roy Moreno was elected to the All Star team and won the title of "most outstanding player." Earl Funk won the Stockton Junior Chamber of Commerce trophy for the best passer of the season. In basketball, the team, made up largely of seniors, won second place in the Catholic Athletic League, and third place in the Knights of Columbus Tournament. Ray DelCorso was awarded two trophies, one for high point man and the other for the most valuable player in the tournament. In baseball we have hopes of being just as successful. Aside from sports, we initiated the freshmen quite properly, and then soothed their "wounds" with the Reception, which was full of fun for all. We never will be able to forget the thrills and spills of Ditch Day. "Grand Finale" and "Here We Go," given for Father Hofstee, the Junior-Senior Picnic and the Prom all added their sparkle to this final page.

As we close the book we thank our parents, the Dominican Sisters, and Monsignor McGough for the patience and guidance that they have given so freely during the past four years. We promise to be a credit to Saint Mary's and to give something worth while to society because of the training and teaching we have received in our high school days.
